RE: Commission Investigation into Campaign Expenditures and
Political Participation of Arizona Public Service Company and its Affiliates
Docket No. E-01345A-19-0005

Dear Commissioner Kennedy:

I have received your request for specific details regarding charitable contributions for the years 2013 through 2018 by APS and the APS Foundation (a privately endowed foundation). Details on APS's charitable contributions for the years 2013 through 2018 are attached as K-ACC00050.

Details regarding the APS Foundation's charitable contributions are attached as K-ACC00052 for calendar years 2013 through 2018.

In addition, APS has discovered that Table 3: Charitable Donations for Calendar Years 2013 through 2018, provided on page 7 of our March 29th response to your original request in this docket, inadvertently included some APS Foundation grants that were also included in Table 4 of that same response. I apologize for this error. Attachment A to this letter provides a revised Table 3. Charitable contributions by the APS Foundation shown in Table 4 of our original response are correct.

Sincerely,

Barbara Lockwood
